	< 55 cm	25%				
Assessor Comments	Presenting an excellent line of 220 M/A 2026 drop new season merino suckers. Bred out of large frame & modern merinos with intent to produce top quality carcasses yet still be wrapped up with lustrous, white crimpy wools. Lambs have had a brilliant start being born into an abundance of green feed, also recently introduced to a grain trail as the start of imprinting. Weaned at delivery.
