| Other Health Information     | Due to the moisture level in the pastures & the wet conditions underfoot, a small % of these lambs are observed as slightly tender in the feet. Not considered detrimental.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |            |                |            |
| Any Access To Rams or Stags? | To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |            |                |            |
| Assessor Comments            | **LEAD DRAFT** A large run of excellently bred White Suffolk X Store Suckers. Avg. 38.7kg, at assessment; all individually weighed 35kg & above. March 26' Drop. Sired by Woodstock W/Suffolk Rams out of medium to large frame western bred Merino Ewes. These Lambs have been weaned for a month & grain trained. They are up to date with their Animal Health treatments & a worm count of ZERO was measured on the 25/6. These Store Suckers are showing plenty of scope, breeding quality & potential. Amery Ag will offer 2,320 Lambs in this sale; 2 x B-Double lines of the TOPS (2 x 630) & 2 x 4-Deck lines of the SECONDS (2 x 530). A 15% tail has been removed altogether. |            |                |            |
