Assessor Comments	Buyers on offer are the lead draft of Gidleigh Pastoral's ewe lambs, These ewes would usually be kept as breeders however are part of their continued flock dispersal. Bella Lana Poll Merino rams have been used for 10 years at Gidleigh. Lambs were shorn in December as part of a general shearing and then again in June when the decision was made to transition away from sheep, In this time cutting 50mm of 16-17 micron wool. These ewe's present in a strong store condition after coming through an extended dry spell, however are moving freely and given the opportunity on better nutrition should get up for a spring/end of year joining.
