Assessor Comments	A very good quality line of Aussie White lambs that are going ahead on winter crop. These lambs were purchased from Brewarrina still on their mothers, and were weaned a month ago. They are by Naparoo Aussie white rams and are out of predominantly purebred ewes, with a portion out of Aussie white/ white dorper cross ewes. This is the complete drop with a small tail removed. There is the odd lamb with caramel coloured skins in this mob.
