| Assessor Comments        | A very well-presented line of merino wether lambs, all individually weighed from 42kgs and above, to be offered as 2 x 655 of 1310, run out the gate. Aug/Sept drop, Mulsed and grain trained. These lambs have been running on a oats crop with self-feeders. These lambs are in forward condition and would not take much to finish. Vendor has another 2 lots of wether lambs in same sale. |            |                                        |
