Assessor Comments: A very good line of White Dorper/Aussie White Cross Wether Lambs. Vendor is retaining ewe portion for breeding. Rams used are very good quality Bellevue Stud White Dorper Rams. Lambs are very well grown and in good - forward condition. Majority are long tails. Lambs are on good feed after recent rains and doing very well. Note - 1 Ram Lamb in mob. These lambs show quality breeding and would be very suitable to take through to very good heavy export lambs.
