Assessor Comments	Well bred Bogo blood wether lambs of good and very good quality. Lead draft on type weighing 26kg plus at assessment. Lambs show light fat cover with the lighter end being low 2 score sheep. These wethers will reach trade and export kill weights given the opportunity and time, they show good depth with nice bone. These Lambs are trained to grain. Bogo bloodlines are very good performers in wether trials with very good wool cut to micron ratio. Good lambs.
