JD Approved Vaccinates	Sheep are not JD Approved Vaccinates.		
Assessor Comments	Merino Wether Lambs July / August drop. Theses lambs cut 3.2 kg of wool in March and are now doing very well on feeder and feed in the paddock. Vendor just making room for lambing ewes. These Lambs are on their way to make heavy weights for Winter markets. Typical wether horn present. Please note could be odd misdrafted ewe lamb in the mob. Shorn and ready to fatten.		
Assessor	Levi Cornish (Level 1 Accredited)
