Assessor Comments	115 Merino Wether Lambs – July/August 2025 Drop For sale are 115 quality Merino wether lambs, July/August 2025 drop, sired by the Oakbank ram. These lambs are currently in store condition and would make ideal feeder wethers. They are already well educated onto feed, having been trained on beans and barley, and are also accustomed to silage. The wethers were shorn in early March, making them well suited to take on feed and continue to grow on. A good line of young wethers with solid breeding, ready to go forward.
