Assessor Comments	On offer is a complete drop of 1st X Ewe Lambs that were born and bred on the northern property at Coonabarabran. Lambs were trucked down to the Corinella Irrigation Farm due to seasonal conditions. These ewes would normally be retained as breeders but due to seasonal conditions are needing to be offloaded. A great opportunity with the mutton market as strong as it is to cash out with old ewes and replace with young future breeders. 440 head in mob to be sold in 2 lots of 220hd run out the gate.
