| Assessor Comments            | On offer is the complete drop of Royalla blood Merino Ewe lambs, carrying a good 55mm average clean fleece. These ewe lambs are normally retained in vendor's breeding program, though due to carrying more cattle on property, have decided to sell their future breeders. These Ewes lambs given the right opportunity will grow into medium to large frame females.<br>Please phone for more information. |
