Assessor Comments	On offer 399 mixed sex dorper lambs. Lambs present in strong store condition with weights ranging from 22kgs - 33kgs to avg. 29.2kgs. These lambs would be suitable to be put on feed or to background and fatten into heavy kill lambs. Lambs were sired by Dell & Kaya rams. A small percentage of the tail were removed. They would power ahead with the right opportunity, as they have plenty of time on their side. " 60 days time payment to approved purchaser."
