| Assessor Comments                     | A line of F1 & F2 Primeline 2023 Drop Ewes scanned in lamb to Hampshire Down Rams (With the off Primeline). They are in plain store condition, but are hardy sheep that run in large cohorts. A huge opportunity in the current tight breeder market. Locmaria are selling due a move to a Pure Primeline Flock. |               |        |                |  |               |  |      |     |       |      |      |     |  |  |
