Assessor Comments	Genuine Flock Reductions sale of Charmac Poll Merinos mixed age Stud Ewes and lambs, non mulesed carrying 9 months wool with fresh marked lambs at foot. These sheep represent an excellent opportunity to start a new Merino Stud Flock. They have excellent milking ability and on good feed will raise excellent lambs. Lambs are by Charmac Poll Stud Merino rams. The Stud ewes have been retained for breeding for up to 11 years, so these ewes come from a flock bred for longevity and will continue to breed and produce wool of good character well beyond 5 years of age. Note odd ewe that has lost lambs this lambing 103 ewes 100 lambs offered. Inspection prior to sale welcome.
