Assessor Comments	Buyers, presenting an line of excellent quality 5 y/o classed breeders. Have recently weaned 109% merino lambs and would ordinarily be retained for another 2 yrs, however vendor has high numbers of young breeders coming through, thus dictating sale of these. Long bodied, bare head and belly ewes, very fertile and easy care. Excellent opportunity into genuine classed breeders. Ewes have been mouthed and present as sound mouth. with a small number having worn back teeth. Mallee Vale p/co runs a very efficient flock, ewes come highly recommended
