Assessor Comments	200 Top quality first cross ewes that weaned 100% of lambs last season. They have been successfully joined to the SPRING VIEW WHITE SUFFOLK stud rams again this time round and should lamb out well, they very long bodied ewes with great depth and bone that have produced exceptional lambs for the kill this year at 8 months of age. They are in good condition and all the hard work has been done. Conveniently positioned just of the HWY with good B Double access. Vendor has two lots in today's sale.
