| 2 Head                                   | Light horn                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                |  |           |            |      |     |      |     |
| Assessor Comments                        | A very good line of 235 x Sep/ Oct 2024 Drop Merino Maidens. 'Tops of the drop', the ewes are in forward store to forward condition and have recently been shorn. An excellent opportunity to purchase classed, healthy maiden ewes that are suitable for a merino or terminal joining. Brokea Pastoral pride themselves on breeding excellent wool producing sheep of large frame and high fertility. All ewes at Brokea are scanned annually, dry's and 'lambled and lost' ewes are sold. A unique opportunity to purchase Cottage Park blood classed maiden ewes. Recognised locally for superior wool cut and quality as well as a reputation for fertility, the Brokea sheep will perform well for prospective buyers. Brokea will offer another group of mixed age ewes in today's sale. The balance of classed breeders will be offered SIL in June. These ewes are unjoined as they were to be mated to merinos, however the decision to sell has been hastened enterprise change. |                |  |           |            |      |     |      |     |
