Assessor Comments	A neat run of Merino ewes with a good July skin on their back. These ewes are Snowy Plain Merino blood and are only being sold due to surplus to requirements. Ewes are in forward condition and are ready for the ram of choice. Rams that sired these ewes were selected on wool cut, wool quality and carcass. The blue tag portion of these ewes have all lambed/been in lamb previously, whereas the Black tag ewes (49 had) are maidens. Great opportunity to buy for a short trade or to retain as part of a Merino breeding enterprise. Please note: Agent can arrange freight to most areas with weekly market trucks.
