Assessor Comments	S.I.L White Suffolk x Merino Ewes – Dispersal Sale Offered for genuine sale are quality White Suffolk x Merino ewes, sired by some of the best Westleigh White Suffolk rams and bred from proven Belbourie blood ewes. These ewes are scanned-in-lamb (S.I.L) to Westleigh rams, with lambing due to commence late May. This cross is renowned for doing an exceptional lamb job, providing strong returns and excellent lamb growth. This is a dispersal sale only due to the property being sold — not a reflection of the sheep. They are good young ewes, sound and well-bred, with plenty of productive years ahead of them. With the strength of the upcoming lambing, buyers should be able to recoup their investment quickly. A rare opportunity to secure top-quality breeding ewes with proven genetics. Don't miss this genuine chance to buy quality sheep.
