Assessor Comments	This lot presents the perfect opportunity to buy highly productive sheep and capitalise on the current strong lamb and sheep prices. These sheep present in excellent lambing condition and have scanned at 184% in lamb to Maternal Primeline Sires. All sheep are marked for Singles, Twins and Triplets. Due to a change in direction the vendor is offering their entire Primeline flock in this sale and it presents no better opportunity to buy genuine quality Primeline Breeders to start or add to a self replacing operation. These sheep come with my highest recommendation. **Please note all sheep in this lot have broken mouths, given their condition and scanning rate the decision was made to also offer these in the sale**
