Assessor Comments	Buyers on offer is a magnificent small line of very well bred first cross ewe lambs. These ewes present in ideal condition for the purchaser to take on given the excellent season being had. These ewes were all weighed over 55Kg at assessment showing excellent growth for age. The vendor has retained these ewe lambs before and notes exceptional fertility and ability to wean off an early sucker at killable weights. These ewes are all by Darjeeling Border Leicester Rams and ex Well Gully Merino ewes. These ewes come highly recommended. Please contact with any questions.
