Assessor Comments	5-Year-Old Australian White Ewes A quality line of rising five-year-old Australian White ewes that remain highly fertile and are in the prime of their breeding life. They present with exceptionally sound, solid mouths, and the vendor believes they have at least another two productive breeding seasons ahead of them. These ewes have successfully reared 176 lambs to weaning, demonstrating their outstanding maternal ability and productivity. Originally purchased from an exceptional Australian White flock at Tintinara, they represent proven genetics and performance. Having there lambs weaned off them at delivery, they will quickly recover and be ready to join with the ram of your choice, making them an excellent opportunity for breeders seeking productive, proven ewes with plenty of life still ahead of them.
