Good	70%						
Assessor Comments	***Dispersal*** 580 SIL Dorper ewes, Calgoa and Etiwanda blood, 2-4 yo, 23% Red tags, 42% Blue tags and 35% Black tags. Due to the ongoing dry conditions, the vendors have made the hard decision to sell all their ewes. The Koree flock is very well managed with a tight 6 week joining with any ewes not scanning up being sold. Ewes will be an asset to any dorper operation.						
Assessor	Ulrich Eins (Level 2 Accredited)
