Joining Access Details	Rams removed on 6th of May. Joined from 2/03/26 to 6/05/26 but have been scanned empty prior to assessing.
	Quality Grades Very Good 100%
Assessor Comments	Buyers a very rare opportunity to buy a run of 840 highly regarded organic certified rising 5 Y/O scanned empty ewes from 'Plevna Downs'. Ewes are ideal replacement woolgrowers or perfect to join to ram of choice this spring. These ewes are best described as large frame and forward store to forward condition. Ewes were shorn early may and have bounced ahead since shearing and doing very well on a variety of herbage and grasses. These ewes are quality breeders that have been scanned empty on 10/06/26 by Damien Pollet after drier than normal joining. The 'Plevna Downs' flock are very well known for their wool growing ability in both quantity and quality. Chance to cash in on RWS certified ewes that have all their lives ahead of them to produce quality lambs and quality wool cuts.
