Pregnancy Terms	AuctionsPlus Standard Terms apply.		
Assessor Comments	Buyers, on offer is a nice line of 140 S.I.L Poll Merino Ewes joined to Low-birthweight Gooramma Poll Dorset sires. Ewes are Kerin Poll Merino Bld, being a mix of vendor bred & purchased ex Kerin Poll Merino. Ewes exhibit great length and leg and present in forward-store condition. Ewes are scanned in lamb at 132% and are due to commence lambing around the 20th August for 17 days (multiples identified). Ewes are 2 years of age with a fair percentage of these ewes having reared a lamb as a Ewe lamb. Ewes are RWS, Authentico, Sustainawool & Land to Market certified. Vendor is selling these ewes due to having a split joining and these falling pregnant in the second period of joining. Ewes were shorn in early February out of an 8-month shearing program. Good, strong and healthy ewes. For further information, please contact. Please note, vendor has another lot of 140 SIL 3-6 Year Olds in the same sale.
