Assessor Comments	A good line of once removed vendor bred ewes, purchased ex Butt Livestock's Annual Breeder's Sheep Sale. Purchased from the Whittaker family, the ewes are Grassy Creek blood, 2024 drop and mouthed as hoggets. The sheep display plenty of length and are of medium frame. Good style of sheep, only presenting in store condition after recent wet weather, the ewes have the ability to go forward before lambing. SIL to Hillden blood Poll Dorset rams, the ewes are setup to be productive units.
