	Quality Grades
	Very Good 100%
Notable Traits	Traits 10 Head a % of ewes showing stain and dagg due to feed
Assessor Comments	On offer are 306 2024-drop ewes S.I.L to Hillcroft Farms Ultra White rams. These ewes have an average liveweight of 64.4kg at assessment. These ewes are ideal young breeders in the prime of their lives, with their full breeding future ahead of them. They are proven performers, with all ewes successfully rearing a lamb last year. This line presents an excellent opportunity for purchasers seeking quality fat lamb producers. Please note, all ewes in the assessed mob were scanned single-bearing. Also note, the same vendor will offer two additional lots of S.I.L ewe lambs in the same sale.
