Assessor Comments	Buyers, on offer are 378 merino Ewes with 614 suffolk cross lambs at foot. Ewes averaged 65kg at assessment with an average of 50mm of wool on their backs. Featuring Dariwell, Barloo, Gullegamble and The Yanco Bloodlines. These Maternal ewes are 2 - 8 years old with very few over 6 years and have done an outstanding job on the lambs. Shorn in December, lambing from the 18/3 - 22/4, the ewes are in good condition mothering a 162% lambing at foot. The 614 lambs are sired by Kinella white Suffolk rams. Marked on the 30/04, these lambs avg a fresh 16 kg. With a shortage of feed at Molong this is a regretful sale of maternal, well bred ewes with quality lambs at foot. Every ewe was mouthed as sound at joining. Every ewe has raised lambs in previous years with the dries removed every year.
