| Assessor Comments        | Ultra White young ewes May/June '25 drop, presenting in forward to prime condition. Scanned 100% in lamb to Glen Park Ultra White rams. Ewes are from a well renowned central west NSW breeder, who has been breeding shedding sheep for the past 20+ years. These ewes are only being offered for sale due to falling outside the current breeding program, giving the purchaser an ideal opportunity to secure some good genetics. Note other lots same sale. |            |        |            |
