Assessor Comments	A very good group of 300 x 2024 NSM Ewe Maidens. An excellent opportunity for buyers to purchase Bundilla Blood maiden ewes. Healthy ewes that present evenly as a group, Faithful & Co sheep run in a high stocking rate environment and are sought out by previous buyers of their sheep. Ewes typically mature into 60/65kg ewes of large frame, excellent ewes to join to merino or terminal sires. An opportunity for buyers to purchase and fatten for lucrative winter markets or background for a late 2026 spring joining. Excellent sheep to join to merinos or terminals, they produce terminal lambs of excellent length and shape. Of ewes assessed 94% had 2 teeth and 6% were just ruptured to four teeth.
