Other Joining Details	SIL to Primeline Rams, 150 Singles, 119 Twins, 11 Triplets			
Assessor Comments	A quality line of Ewe Lambs SIL @ 150%. "Tops of the drop" with all lambs individually weighed at 45kg+. Due to a change in enterprise direction, the vendor has retained no ewe lambs, presenting a genuine opportunity to secure the pick of the drop. These ewe lambs have received all required animal health treatments and are backed by a sire team ranking in the top 10% of the Primeline breed. They offer proven genetics for fertility, growth, and performance, with bloodlines that have consistently demonstrated excellent weight gain and strong yield results when sent to processors. An outstanding opportunity to improve flock genetics overnight with a line of well-grown, productive replacement females. **The odd lamb showing some dag and will be crutched prior to delivery. Buyers note the 4-day delivery/lift timeframe**
