Other Joining Details	Ewes were scanned empty on the 25/05/26
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	Offering 810 young Merino ewes. The ewes averaged 45.2kg live at assessment and were shorn in and back-lined in April. The ewes are two and three years and are majority purchased in ewes, that were recently scanned empty of the back of a tough joining. The ewes are majority bred on Well Gully Poll Merino bloodlines. The ewes are on a rising plane of nutrition after recent showers and range in frame size, with some small frame ewes amongst the mob. Don't miss this opportunity to purchase a large line of young Merino ewes.
