Assessor Comments	On offer are 17 pure Charolais ewes. These ewes have good frame and excellent shape that is true to type, with an average weight of 63kg. These ewes are ideal future breeders. These ewes are ex-Roseville Park Stud ewes direct from the Coddington family. This is a rare opportunity to secure future breeders direct from Roseville Park Charolais Stud. These ewes carry my strongest recommendation. Buyers, please note the same vendor will offer 56 Primeline ewes in the same sale.
