	A draft of cattle that were easy to class in a large yard. They all flowed through the yards with little to no fuss.						

Handled With	Bikes , On foot , Vehicles
Assessor Comments	The fourth and final draft of steer calves on offer from our vendor today. This pair of calves are in the weaning process and come delivery they will a week weaned. Calves that express plenty of natural length of body and frame to work with, paired with good natural thickness and muscle expression they show the ability to turn into classy types given the feed opportunity coming into spring. Buyers please note this one of 8 lots on offer in this sale.
