Assessor Comments	On offer are the spring steer drop from Nata-Lea Murray Greys. Calves show great depth and natural softness of body. Handling these steers was hassle free in the race and crush side. Calves are Nil grain, Nil antibiotics and in the Never Ever beef program. With the warm months approaching, Steers should meet bullock weights in the autumn and be well covered bodies. With 30 years of breeding backing from Monterey, Woodbourn and Lindsay Murray Greys studs these calves come highly recommended.
