	These Heifers were a pleasure to handle in all aspects of the inspection & assessment process . At no stage did any cattle shows signs of aggression and only became slightly agitated when pressure was applied . Steers were drafted in the yards easily by 2 people and moved through the yards well through the assessment . Steers are moved regularly by 1 person & spend more time following you rather than moving away . Handled by Cattle people .				
Handled With	Bikes , Dogs , On foot , Vehicles				
Assessor Comments	A very good & even run of Angus Heifers , going ahead . Great Heifers to take on as Future Breeders or Future feeders or Grassfed program cattle. These Heifers are very well bred and show the depth of breeding within the Hall herd of 3000 breeding Cows & will continue to move forward given the right conditions , well bred , out of medium to Large frame Angus Cows and by Bulls showing strong traits and an emphasis for FERTILITY, IMF , GROWTH & EMA with Milk figures above breed average .. An excellent opportunity to secure Heifers offered in deck lots with the opportunity to fill loads if required . 100% of heifers weighed at assessment with a total 68 in this draft . ## PLEASE NOTE freight options offered by Vendor ## . All efforts will be made to ship any Cattle purchased off Flinders Island at the earliest opportunity . Vendor transit insurance will cover Cattle to the designated delivery points stated for injury or death. Please contact Warren for any further information required . Recent preg testing results for the Hall herd , Maiden heifers 91.5%(6 week join) & Mature Cows 98%(9 week join) preg tested in Calf (2026). An excellent opportunity to secure Angus females for the future and place into a desired calving pattern . Please note 2 runs of 34 being offered in this run . Standard Full less 5% deducted for delivery, buyers please take into account travel durations off Flinders Island and make own adjustments. Delivery to Port Welshpool or Bridport wharfs.
