Assessor Comments	Apsley Angus presents a line of preg tested dry heifers out of cows with renowned Banquet, Pathfinder and Landfall genetics. The mothers were originally purchased from Victoria in Dec 2021 as first and second calvers. They were selected for the cows high genetic potential and ability to provide quality progeny for any herd. Quiet heifers that are a pleasure to handle. These heifers will be a quality asset to the successful purchaser. All heifers have had the full suite of animal health treatments including trace element applications. Please note the pregnant sisters of these cattle are also in the sale.
