	All steers were very quiet and easy to handle throughout the assessment process																		
Handled With	Bikes , On foot , Vehicles																		
Assessor Comments	Buyers a very good line of well-bred Poll Hereford sired yearling steers averaging 303kg. These 10-12 month old steers present as an even line with only 32kgs from lightest to heaviest. They present with plenty of frame and length, with good bone, shape and type. Going forward, these steers should gain a lot of weight quickly and will continue to develop into well finished heavyweight yearlings suitable for all grassfed markets being Greenhams GAP, Sustainability & NE acc and NG/NA Note: Vendor has multiple lines in this sale
