Assessor Comments	Buyers a very good line of well-bred Charolais sired yearling steers averaging 328kg. These 12-13 month old steers present as a classy and even line with only 36kgs from lightest to heaviest. They present with plenty of frame and length, with good bone, shape and type. Going forward, these steers should gain a lot of weight quickly and will continue to develop into well finished heavyweight yearlings suitable for all grassfed markets being Greenhams GAP, Sustainability & NE acc and NG/NA Note: Vendor has multiple lines in this sale
