Assessor Comments	An outstanding quality line of very well bred yearling heifers on offer with none retained! Absolute crackers. Super quiet. Appreciate the depth and length and shape these heifers have. Very stylish types that should make very good breeders and boost any herd. Well bred with Angus bloodlines including Poss Winchester AI, Apsley, Lawnsions and Deep Creek. They should also suit any fattening operation and grow out into heavy trade types or grow out to reach export weights. Electric fence trained, Greenham Never ever accredited, JBS Farm Assured. Nil grain, nil antibiotics. Highly Recommended
