Assessor Comments	Buyers a nice line of well-bred Poll Shorthorn heifer weaners averaging 229kg. These young heifers are a very even line, with only 28kgs from lightest to heaviest! The vendor has spared no expense over the years, spending a lot of money on genetics. These heifers have frame and length, and are displaying good shape, style and type. Going forward, these heifers could be grown out to join as future breeders if purchaser desired or alternatively they will grow out into well finished medium to heavyweight heifers suitable for all grassfed markets being Greenhams NE, JBS FA and NG/NA
