Assessor Comments

Buyers a good line of well-bred majority Poll Shorthorn heifers averaging 445kg. These heifers had been retained to be joined as future breeders however the vendor has decided to sell all young females due to ongoing seasonal conditions. Over the years, the vendor has spared no expense in sourcing some of the best Shorthorn genetics available. These heifers are large in frame and are displaying good style, bone and type. Going forward, these heifers would make suitable breeders or alternatively grow out into heavyweight heifers suitable for all grassfed markets being Greenhams NE acc and NG/NA Note: Vendor will deliver to Powranna Wednesday/Thursday to work in with Powranna store sale Note: Vendor has two other lines in this sale
