Assessor Comments	Buyers a small but excellent line of predominantly Angus heifer weaners averaging 313kg. These heifers had been retained to be joined as future breeders however the vendor has decided to sell all young females due to ongoing seasonal conditions. These heifers have good frame and length, and are displaying great shape, style and type. Going forward, these heifers would be suitable to grow out into future breeders or alternatively grow out into well finished medium to heavyweight heifers suitable for all grassfed markets being Greenhams NE acc and NG/NA Note: Vendor will deliver to Powranna Wednesday/Thursday to work in with Powranna store sale Note: Vendor has two other lines in this sale
