	Extremely quiet steers , credit to the vendors. You could put your hand on them in yards and drafted up easily.

Assessor Comments	A top line of steers, with very good weight for age. Outstanding temperament! Steers that have plenty of shape and stretch about them for young calves and should make heavy trade weights in Spring or grow them out to meet bullock weights. These would suit anyone that focuses on quiet, easy to handle cattle. Electric fence trained. Never ever accredited. Nil grain, nil antibiotics. Please note vendor has 1 other lot in the auction.
