Assessor Comments	A very good draft of "NATONE HILLS" Murray Grey weaned heifer calves. Top quality calves with extremely quiet temperament, shape and depth of body. Sired from top Woodburn Murray Grey Sires and would make very nice breeders if given the opportunity. These calves have a very good reputation for growing out into very good grown cattle and should make heavy trade weights. Never Ever Accredited. Nil Grain Nil Antibiotics. Electric Fence Trained. Vendor has 2 lots in this auction. Please note these calves are in the Greenham Beef Sustainability program. Highly recommended.
