Assessor Comments	The top draft of "NATONE HILLS" Murray Grey weaned steer calves. Absolute cracking calves with extremely quiet temperament, shape and depth of body. Very good weight for age. Sired from Woodburn Murray Grey Sires. These calves have a very good reputation for growing out into very good grown cattle and should make heavy trade or bullock weights. Never Ever Accredited. Nil Grain Nil Antibiotics. Electric Fence Trained. Vendor has 2 lots in this auction. Please note these calves are in the Greenham Beef Sustainability program. Highly recommended.
