	Very quiet cattle. 1 steer became agitated during media but was fine in the group. Easy to handle throughout assessment and can be seen in videos. A pleasure to handle.

Assessor Comments	A very good draft of "NATONE HILLS" Murray Grey weaned steer calves. Top quality calves with extremely quiet temperament, shape and depth of body. Sired from Woodburn Murray Grey Sires. These calves have a very good reputation for growing out into very good grown cattle and should make heavy trade or bullock weights. Never Ever Accredited. Nil Grain Nil Antibiotics. Electric Fence Trained. Vendor has 2 lots in this auction. Please note these calves are in the Greenham Beef Sustainability program. Highly recommended.
