Assessor Comments	Buyers a top line of well-bred Poll Shorthorn steer weaners averaging 266kg. These young steers are a very even and classy line, with only 37kgs from lightest to heaviest! The vendor has spared no expense over the years, spending a lot of money on genetics. These steers have good frame and length, and are displaying great shape, style and type. Going forward, they should grow out into well finished medium to heavyweight steers suitable for all grassfed markets being Greenhams NE, JBS FA and NG/NA Note: Vendor has two other lines in this sale
