Assessor Comments	Buyers a top line of well-bred Poll Shorthorn heifer weaners averaging 258kg. These young heifers are a classy and even line, with 53kgs from lightest to heaviest! The vendor has spared no expense over the years, spending a lot of money on genetics. These heifers have good frame and length, and are displaying great shape, style and type. Going forward, these heifers could be grown out to join as future breeders if purchaser desired or alternatively they will grow out into well finished medium to heavyweight heifers suitable for all grassfed markets being Greenhams NE, JBS FA and NG/NA Note: Vendor has two other lines in this sale
