Assessor Comments	Twenty six very well bred Hereford steers,coming out of large frame cows and by Guildford and Quamby bulls.there are fifty three in the line 26-27 with lots to be a run out the gate. These Steers are well known for their doing abilities,they have frame,muscling,depth and frame for age.They have been weaned for four weeks and are on the way forward.I have no doubt in the right conditions these steers will grow out to heavy trade or to Jap ox size. They are Vendor bred,grass fed,nil antibiotics and never ever accredited Please note Vendor has other lots in this sale
